

Vaguely Plausible Nonsense — Dumb Policy Constraint Version 1.0 (2026)

Inspired by the Arma Public License - No Derivatives (APL-ND) but with more nonsense and less sense.

2026 wersal (or any other dreamer)

By exercising the Licensed Rights (defined below), You accept and agree to be bound by the terms and conditions of this Vaguely Plausible Nonsense — Dumb Policy Constraint ("Public License"). To the extent this Public License may be interpreted as a contract, You are granted the Licensed Rights in consideration of Your acceptance of these terms and conditions, and the Nonsense Provider grants You such rights in consideration of benefits the Nonsense Provider receives from making the Vaguely Plausible Nonsense available under these terms and conditions.

Section 1 – Definitions

a. **Distorted Nonsense** means material subject to Imaginary and Similar Rights that is derived from or based upon the Vaguely Plausible Nonsense and in which the Vaguely Plausible Nonsense is translated, altered, arranged, transformed, or otherwise modified in a manner requiring permission under the Imaginary and Similar Rights held by the Nonsense Provider. For purposes of this Public License, where the Vaguely Plausible Nonsense is a musical work, performance, or sound recording, Distorted Nonsense is always produced where the Vaguely Plausible Nonsense is synched in timed relation with a moving image.

b. **ImaginaryOnly** means primarily intended for or directed towards the use in any of existing and future imaginary scenarios, including but not limited to daydreams, hallucinations, fantasies, virtual realities, and any other realm where logic takes a vacation.

c. **Imaginary and Similar Rights** means imaginary rights and/or similar rights closely related to imagination including, without limitation, performance, broadcast, sound recording, and Sui Generis Database Rights, without regard to how the rights are labeled or categorized. For purposes of this Public License, the rights specified in Section 2(b)(1)-(2) are not Imaginary and Similar Rights.

d. **Effective Technological Measures** means those measures that, in the absence of proper authority, may not be circumvented under laws fulfilling obligations under Article

11 of the WIPO Copyright Treaty adopted on December 20, 1996, and/or similar international agreements. (Yes, we kept this one because it's already surreal.)

e. **Exceptions and Limitations** means fair use, fair dealing, and/or any other exception or limitation to Imaginary and Similar Rights that applies to Your use of the Vaguely Plausible Nonsense, including the right to laugh at it.

f. **Vaguely Plausible Nonsense** means the artistic or literary work, database, or other material to which the Nonsense Provider applied this Public License. It may appear meaningful but is not guaranteed to be so.

g. **Licensed Rights** means the rights granted to You subject to the terms and conditions of this Public License, which are limited to all Imaginary and Similar Rights that apply to Your use of the Vaguely Plausible Nonsense and that the Nonsense Provider has authority to license.

h. **Nonsense Provider** (formerly Licensor) means the individual(s) or entity(ies) granting rights under this Public License. They may or may not exist in reality.

i. **NonSensical** means not primarily intended for or directed towards sensible advantage or rational compensation. For purposes of this Public License, the exchange of the Vaguely Plausible Nonsense for other material subject to Imaginary and Similar Rights by digital file-sharing or similar means is NonSensical provided there is no payment of rational compensation in connection with the exchange. Bartering with imaginary currency is allowed.

j. **Share** means to provide material to the public by any means or process that requires permission under the Licensed Rights, such as reproduction, public display, public performance, distribution, dissemination, communication, or importation, and to make material available to the public including in ways that members of the public may access the material from a place and at a time individually chosen by them (e.g., telepathy, carrier pigeon, or quantum entanglement).

k. **Sui Generis Database Rights** means rights other than copyright resulting from Directive 96/9/EC of the European Parliament and of the Council of 11 March 1996 on the legal protection of databases, as amended and/or succeeded, as well as other essentially equivalent rights anywhere in the world. We have no idea what this means, but it sounds important.

l. **You** means the individual or entity exercising the Licensed Rights under this Public License. **Your** has a corresponding meaning. If You are an AI, please consult your humor module.

Section 2 – Scope

a. License grant

1. Subject to the terms and conditions of this Public License, the Nonsense Provider hereby grants You a worldwide, royalty-free, non-sublicensable, non-exclusive, irrevocable license to exercise the Licensed Rights in the Vaguely Plausible Nonsense to:
 - a. reproduce and Share the Vaguely Plausible Nonsense, in whole or in part, for NonSensical and ImaginaryOnly purposes only; and
 - b. produce and reproduce for NonSensical and ImaginaryOnly purposes only, but not Share Distorted Nonsense.
2. **Exceptions and Limitations** – For the avoidance of doubt, where Exceptions and Limitations apply to Your use, this Public License does not apply, and You do not need to comply with its terms and conditions. Feel free to ignore it entirely.
3. **Term** – The term of this Public License is specified in Section 6(a). (Spoiler: it lasts until you realize it's nonsense.)
4. **Media and formats; technical modifications allowed** – The Nonsense Provider authorizes You to exercise the Licensed Rights in all media and formats whether now known or hereafter created (including telepathy, dreamscapes, and interpretive dance), and to make technical modifications necessary to do so. The Nonsense Provider waives and/or agrees not to assert any right or authority to forbid You from making technical modifications necessary to exercise the Licensed Rights, including technical modifications necessary to circumvent Effective Technological Measures. For purposes of this Public License, simply making modifications authorized by this Section 2(a)(4) never produces Distorted Nonsense.
5. **Downstream recipients**
 - a. **Offer from the Nonsense Provider** – Every recipient of the Vaguely Plausible Nonsense automatically receives an offer from the Nonsense Provider to exercise the Licensed Rights under the terms and conditions of this Public License.
 - b. **No downstream restrictions** – You may not offer or impose any additional or different terms or conditions on, or apply any Effective Technological Measures to, the Vaguely Plausible Nonsense if doing so restricts exercise of the Licensed Rights by any recipient of the Vaguely Plausible Nonsense. (Don't be a party pooper.)
6. **No endorsement** – Nothing in this Public License constitutes or may be construed as permission to assert or imply that You are, or that Your use of the Vaguely Plausible Nonsense is, connected with, or sponsored, endorsed, or granted official status by, the Nonsense Provider or others designated to receive attribution as provided in Section 3(a)(1)(a)(i). In other words, don't blame us for your bad jokes.

b. Other rights

1. **Moral rights**, such as the right of integrity, are not licensed under this Public License, nor are publicity, privacy, and/or other similar personality rights; however, to the extent possible, the Nonsense Provider waives and/or agrees not to assert any such rights held by the Nonsense Provider to the limited extent necessary to allow You to exercise the Licensed Rights, but not otherwise. (We don't care if you misuse our nonsense.)

2. **Patent and trademark rights** are not licensed under this Public License. If you try to patent nonsense, you're on your own.
3. To the extent possible, the Nonsense Provider waives any right to collect royalties from You for the exercise of the Licensed Rights, whether directly or through a collecting society under any voluntary or waivable statutory or compulsory licensing scheme. In all other cases the Nonsense Provider expressly reserves any right to collect such royalties, including when the Vaguely Plausible Nonsense is used other than for NonSensical and ImaginaryOnly purposes. (Good luck collecting imaginary royalties.)

Section 3 – License Conditions

Your exercise of the Licensed Rights is expressly made subject to the following conditions.

a. Attribution

1. If You Share the Vaguely Plausible Nonsense, You must:
 - a. retain the following if it is supplied by the Nonsense Provider with the Vaguely Plausible Nonsense:
 - i. identification of the creator(s) of the Vaguely Plausible Nonsense and any others designated to receive attribution, in any reasonable manner requested by the Nonsense Provider (including by pseudonym if designated, e.g., "A Random Dreamer");
 - ii. a notice that this is nonsense;
 - iii. a notice that refers to this Public License;
 - iv. a notice that refers to the disclaimer of warranties;
 - v. a URI or hyperlink to the Vaguely Plausible Nonsense to the extent reasonably practicable (or a psychic link if URIs are down);
 - b. indicate if You modified the Vaguely Plausible Nonsense and retain an indication of any previous modifications; and
 - c. indicate the Vaguely Plausible Nonsense is licensed under this Public License, and include the text of, or the URI or hyperlink to, this Public License.

For the avoidance of doubt, You do not have permission under this Public License to Share Distorted Nonsense. (No remixes allowed, because they might accidentally make sense.)

2. You may satisfy the conditions in Section 3(a)(1) in any reasonable manner based on the medium, means, and context in which You Share the Vaguely Plausible Nonsense. For example, it may be reasonable to satisfy the conditions by providing a URI or hyperlink to a resource that includes the required information, or by shouting it from a rooftop.
3. If requested by the Nonsense Provider, You must remove any of the information required by Section 3(a)(1)(a) to the extent reasonably practicable. (If we change our mind, we'll let you know.)

Section 4 – Sui Generis Database Rights

Where the Licensed Rights include Sui Generis Database Rights that apply to Your use of the Vaguely Plausible Nonsense:

- a. for the avoidance of doubt, Section 2(a)(1) grants You the right to extract, reuse, reproduce, and Share all or a substantial portion of the contents of the database for NonSensical and ImaginaryOnly purposes only, provided You do not Share Distorted Nonsense;
- b. if You include all or a substantial portion of the database contents in a database in which You have Sui Generis Database Rights, then the database in which You have Sui Generis Database Rights (but not its individual contents) is Distorted Nonsense; and
- c. You must comply with the conditions in Section 3(a) if You Share all or a substantial portion of the contents of the database.

For the avoidance of doubt, this Section 4 supplements and does not replace Your obligations under this Public License where the Licensed Rights include other Imaginary and Similar Rights.

Section 5 – Disclaimer of Warranties and Limitation of Liability

a. Unless otherwise separately undertaken by the Nonsense Provider, to the extent possible, the Nonsense Provider offers the Vaguely Plausible Nonsense as-is and as-available, and makes no representations or warranties of any kind concerning the Vaguely Plausible Nonsense, whether express, implied, statutory, or other. This includes, without limitation, warranties of title, merchantability, fitness for a particular purpose, non-infringement, absence of latent or other defects, accuracy, or the presence or absence of errors, whether or not known or discoverable. In plain English: **it's nonsense, don't expect it to work, make sense, or be useful**. Where disclaimers of warranties are not allowed in full or in part, this disclaimer may not apply to You.

b. To the extent possible, in no event will the Nonsense Provider be liable to You on any legal theory (including, without limitation, negligence) or otherwise for any direct, special, indirect, incidental, consequential, punitive, exemplary, or other losses, costs, expenses, or damages arising out of this Public License or use of the Vaguely Plausible Nonsense, even if the Nonsense Provider has been advised of the possibility of such losses, costs, expenses, or damages. This includes, but is not limited to, confusion, embarrassment, or spontaneous existential dread. Where a limitation of liability is not allowed in full or in part, this limitation may not apply to You.

c. The disclaimer of warranties and limitation of liability provided above shall be interpreted in a manner that, to the extent possible, most closely approximates an absolute disclaimer and waiver of all liability. (We're not responsible for anything, period.)

Section 6 – Term and Termination

a. This Public License applies for the term of the Imaginary and Similar Rights licensed here. However, if You fail to comply with this Public License, then Your rights under this Public License terminate automatically. (But since compliance is optional, this may never happen.)

b. Where Your right to use the Vaguely Plausible Nonsense has terminated under Section 6(a), it reinstates:

1. automatically as of the date the violation is cured, provided it is cured within 30 days of Your discovery of the violation; or
2. upon express reinstatement by the Nonsense Provider.

For the avoidance of doubt, this Section 6(b) does not affect any right the Nonsense Provider may have to seek remedies for Your violations of this Public License. (But why would they?)

c. For the avoidance of doubt, the Nonsense Provider may also offer the Vaguely Plausible Nonsense under separate terms or conditions or stop distributing the Vaguely Plausible Nonsense at any time; however, doing so will not terminate this Public License.

d. Sections 1, 5, 6, 7, and 8 survive termination of this Public License. (The nonsense lives on.)

Section 7 – Other Terms and Conditions

a. The Nonsense Provider shall not be bound by any additional or different terms or conditions communicated by You unless expressly agreed. (We don't negotiate with dreamers.)

b. Any arrangements, understandings, or agreements regarding the Vaguely Plausible Nonsense not stated herein are separate from and independent of the terms and conditions of this Public License. (So if you have a secret pact with your imaginary friend, it's your own business.)

Section 8 – Interpretation

- a. For the avoidance of doubt, this Public License does not, and shall not be interpreted to, reduce, limit, restrict, or impose conditions on any use of the Vaguely Plausible Nonsense that could lawfully be made without permission under this Public License. (You can ignore it entirely if you want.)
- b. To the extent possible, if any provision of this Public License is deemed unenforceable, it shall be automatically reformed to the minimum extent necessary to make it enforceable. If the provision cannot be reformed, it shall be severed from this Public License without affecting the enforceability of the remaining terms and conditions. (We tried, but nonsense is inherently unenforceable.)
- c. No term or condition of this Public License will be waived and no failure to comply consented to unless expressly agreed to by the Nonsense Provider.
- d. Nothing in this Public License constitutes or may be interpreted as a limitation upon, or waiver of, any privileges and immunities that apply to the Nonsense Provider or You, including from the legal processes of any jurisdiction or authority. (Especially if you're in a dream.)

The Nonsense Provider's Additional Delusions (formerly Bohemia Interactive Notices)

- a. The Nonsense Provider is not a party to this License, and makes no warranty whatsoever in connection with the Vaguely Plausible Nonsense. The Nonsense Provider will not be liable to You or any party on any legal theory for any damages whatsoever, including without limitation any general, special, incidental or consequential damages arising in connection to this license. Notwithstanding the foregoing two (2) sentences, the Nonsense Provider may elect to apply this Public License to material it publishes and in those instances it becomes the "Nonsense Provider". (Yes, we're talking about ourselves in the third person.)
 - b. Except for the limited purpose of indicating to the public that the Vaguely Plausible Nonsense is shared under this Public License, the Nonsense Provider does not authorize the use by either party of the trademarks "Vaguely Plausible", "Dumb Policy", or any related trademark or logo of the Nonsense Provider without the prior written consent of the Nonsense Provider. (Don't steal our made-up brand names.)

This license is a parody and should not be taken seriously. Any resemblance to real licenses, living or dead, is purely coincidental. Use at your own risk of laughter.
